Please support those in need.

The proceeds from One Fore Kenya go directly to funding the important work of the Grace in Kenya project. Since 2009, Grace Community Church has sent short-term mission teams to the Nyanza province in western Kenya. These personal missions have built relationships with the people in the villages of Kandaria and Katito.

Working in cooperation with House of Hope, we've provided individual and financial support to meet the physical, emotional, educational and spiritual needs of orphans and widows in the region. Your generous support has allowed us to bring clean water, medical care and shelter to those living in need. We've addressed both the spiritual and physical needs of the communities we serve, bringing hope to those who have so little.

Your generosity has changed many lives. Thank you!
